**Re: In The Matter of the Constellation Energy Services, Inc. For A Certificate to Provide Electric Supply Services within the State Of Delaware (Submitted November 29, 2017) – PSC Docket No. 17-1174**

---

Dear Ms. Klaviter,

The Delaware Public Service Commission ("Commission") is in receipt of Constellation Energy Services, Inc. ("Company" or "CES") request to terminate its Electric Supply Certificate approved by the Commission in Order No. 7114 issued January 23, 2007, in Docket No. 06-368.

The request states that the Company is not currently serving customers in Delaware and does not intend to do so in the future under the name of Constellation Energy Services, Inc. The Company notified the Commission in a letter sent August 31, 2017 that CES would be merging into Constellation NewEnergy, Inc, who holds a certificate to provide electric supply services in Delaware. Customers were notified in a letter dated July 31, 2017 and all contracts, services, and legal obligations will continue under Constellation NewEnergy, Inc. The effective date for the termination of the Company's Electric Supply Certificate will be November 29, 2017 as requested.

Should you have any questions or if I can be of any assistance you may contact me at (302) 736-7539 or send questions by email to [Clishona.Marshall@state.de.us](mailto:Clishona.Marshall@state.de.us).

Sincerely,
